Research, professional activity

Field of science and discipline:

economics

Current fields of research:

Macroeconomic analysis and forecasts, Social impacts of future of work

Previous fields of research:

Microsimulation, rapid estimations,

Major research projects

- 2001 - 2004, Structural Specialisation and Technological Development 2001-2004 in Accession Candidates - Productivity gap between the EU and the EU candidate countries
  Form of participation: leader of the research team
  Moneylender: EU 5th Framework Programme
  Further info about research:

- 2004 - 2004, Evaluation of the ERASME model of the macroeconomic impact of 2004 R&D expenditure in the European Union, and examination of its potential for domestic adaptation
  Form of participation: leader of the research team
  Moneylender: Ministry of Economy and Transport
  Further info about research:

- 2004 - 2004, Methodological adaptation of the DRC efficiency indicator used to 2004 measures competitiveness in international practice, and its quantified application to the Hungarian economy at sectoral and regional level
  Form of participation: leader of the research team
  Moneylender: Ministry of Economy and Transport
  Further info about research:

- 2004 - 2004, Macroeconomic model simulations to 2020, considering international trends and the requirements for joining the euro area
  Form of participation: leader of the research team
  Moneylender: Ministry of Economy and Transport
  Further info about research:

- 2004 - 2005, Development of the Tourism Satellite Accounts for Hungary
  Form of participation: member of the research team
  Moneylender: EUROSTAT, Hungarian Statistical Office
  Further info about research:

- 2005 - 2005, Grant Agreement for Improvement of Quality of National Accounts, Methodology of the GDP flash estimates in Hungary
  Form of participation: leader of the research team
  Moneylender: EUROSTAT, Hungarian Statistical Office
  Further info about research:

- 2007 - 2008, Grant Agreement for Improvement of Quality of National Accounts, Assessment of the hidden economy
  Form of participation: member of the research team
  Moneylender: EUROSTAT, Hungarian Statistical Office
  Further info about research:

- 2011 - 2013, State Reform Operational Programme: Rationalization of the law making process, No. ÁROP 1.1.10 - 2011-2011-0001
  Form of participation: member of the research team
  Moneylender: European Union
  Further info about research:

- 2012 - 2013, State Reform Operational Programme: Rationalization of the law making process, No. ÁROP 1.1.10 - 2011-2011-0001
  Form of participation: member of the research team
  Moneylender: European Union
  Further info about research:

- 2017 - 2021, Human Resource Development Operational Programme: Sustainable, intelligent and inclusive regional and urban models, No. EFOP 3.6.2-16-2017-00017
  Form of participation: leader of the research team
  Moneylender: European Union
  Further info about research:

- 2019 - 2022, Thematic Excellence Programme
  Form of participation: member of the research team
  Moneylender: National Research Development and Innovation Office
  Further info about research:

Membership in scientific or professional bodies/organizations

- 1990 - , founding member, member
  Economic Modelling Society, national
- 2005 - , founding member, member
  International Microsimulation Association , international
- 2012 - 2024, Member of the Presidential Board, member
  Economic Modelling Society, national
- 2012 - , Public Board Member, member
  Hungarian Academy of Sciences, Member of the Statistical and Future Research Statistical Committee , national
- 2004 - , member, member
  Hungarian Economic Association , national

Board memberships and positions

- 2012 - 2024, Szigma, member of the editorial board, president or member of the editorial board
  Hungarian language
- 2025 - , Szigma, Co-editor, editor-in-chief, member of the editorial team
  Hungarian language

Publications

- MTMT Hungarian Scientific Bibliography
