To be completed by the representative of the RECEIVING (HOST) INSTITUTION upon request of the student

We hereby confirm that the above named student is allowed to continue his/her Erasmus studies at our institution… (please circle/underline your choice):

a. until the end of the current academic year
b. until the end of the next study period/term

The expected END of the lengthened Erasmus study period – including exams – is:

…….. day / …………month / ………. year

In addition, we confirm that this extension will have the following effect on the number of Corvinus University Erasmus students we will accept in the future (please circle/underline your choice):

a. The extension will have no effect on the Erasmus quotas, ie. Corvinus University can send the usual number of Erasmus students to our institution in the future (as set in the bilateral agreement).

b. I cannot guarantee that this extension will leave the Erasmus quotas intact. Eg. in case Corvinus has already used up the Erasmus quota set for the current academic year, we would accept one student less for next academic year in exchange for this „extra semester“.

* Choosing the b. option probably prevents the student to extend his/her Erasmus period.
