Corvinus University of Budapest VPN setup: Windows 10

The service is available to all students and staff without request as a basic service. Click the Start menu and then the gear on the left.

In the settings, click on the "Network and Internet" option

Choose the VPN option

← Settings	
ŵ Home	Status
Find a setting	Network status
Network & Internet	д—
🗇 Status	Ei B
P Ethernet	You're connectec
ଳି Dial-up	If you have a limited c metered connection c
% VPN	Change connection p
(몃 Data usage	Show available netwo

Here you can set up the connection as follows. Click "set up a new VPN connection"

You must provide these three details:

VPN provider: **Windows** (built-in)

Contact name: optional, but we recommend the name BCE

Server name: vpn.uni-corvinus.hu

.

Add a VPN connection		
VPN provider		
Windows (built-in)	~	
Connection name
