

Budapest, 14<sup>th</sup> January 2021

### NOTE VERBALE

The Royal Embassy of Saudi Arabia in Budapest presents its compliments to the esteemed Ministry of Innovation and Technology of Hungary, Minister of State for Higher Education, Vocational Training and Innovation, and has the pleasure to inform the esteemed Ministry about the opportunity of external scholarship for international students offered by Ministry of Education in Kingdom of Saudi Arabia.

Based on the leading role of the government of the Kingdom of Saudi Arabia. The Kingdom carries out its lofty mission at the international and regional level in all fields, including the development and qualification of manpower by providing scholarships to attract international students who are distinguished in theoretical, scientific and research disciplines to study in public universities in the Kingdom. Applicants are welcome from all countries of the world to study in public universities in various regions of the Kingdom. The Royal Embassy has enclosed herewith for the Ministry's kind attention the list of (26) Saudi public universities offering external scholarship programs.

In order to facilitate the procedures and administer for the study program in the Kingdom's governmental universities, the applicants can send their applications to the following email of the Royal Embassy in Budapest: [huemb@mofa.gov.sa](mailto:huemb@mofa.gov.sa) Applicants are asked to send their curriculum vitae to indicate the desired major in their application.

Further information can be found on the website of the chosen university, where the applicant can get acquainted with the special conditions and requirements. Students can apply for all available specializations – except for health and medical specialties - for its post-secondary stage, and the study is for all university levels to study (Diploma - Bachelor - Higher Diploma - Masters - PhD) for whom the conditions and admission controls apply.

Among the conditions and controls for accepting international students for all levels of study is the student should not be less than (17) years old and not more than (25) years for the undergraduate and institute for teaching Arabic language or the equivalent, (30) years for the master's degree, and (35) years for the doctoral degree.

The benefits that a student accepted to study in the Kingdom of Saudi Arabia can obtain, including:

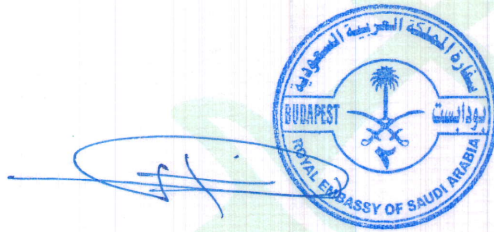

- A- Health care for the applicant and their family members if they are to reside with them.
- B - Disbursement of two-month remuneration as fit-out allowance upon arrival.
- C - Disbursement of three-month remuneration as graduation allowance for books shipment.
- D - Benefits offered to peers thereof in educational institution.
- E - Provision of discounted meals.
- F - Provision of accommodation as well as appropriate scientific, social, cultural and training care.
- G - Provision of tickets stipulated in educational institution financial regulations

The Royal Embassy of Saudi Arabia avails itself of this opportunity to renew to the Ministry of Innovation and Technology the assurances of its highest consideration.
