Abstract

This is a sample abstract for submitting a proposal for a regular communication or discussion at EWG-MCDA 91 (April 29-30, 2021). Your submission should include an abstract, and optionally (in particular in case of proposals for discussion) a manuscript. The abstract should be prepared in this template (please attach both the pdf and the Word/LaTeX source files), as they will be edited into the Book of abstracts. The optional manuscript can be in prepared in any format (please attach it in pdf), they will be shared in a cloud folder, accessible to the registered participants of the meeting only.
