| Name(s) of postgraduate program(s) | Finance Master |
| Type of the exam | Oral |
| Name of the exam | Finance |
| Duration of the exam | 15-20 minutes |
| Method of the exam | Online |
| Short description of the exam | The applicants receives two-three questions concerning the topics of basic coroporate finance and related financial markets. The members of the selection committee will then ask further questions based on what the applicant answered. These questions can be related not only to the designated corporate finance topics but also to practice. In the second part of the discussion, questions assessing the motivation of the applicant follow. What successes have you achieved so far (any dissertation, internship, part-time study abroad, etc.)? Why is it important for him to get a degree in finance? What are the financial issues that interest you, either personally or as a result of your work? |
