## THE AIM OF THE PROGRAMME:

The aim of Corvinus-MSM-Seed Executive MBA is to educate responsible business executives who are aware of societal and business processes and practice, interpret and manage them as sovereign designers, and act and communicate with responsibility.

The Corvinus-MSM-SEED Executive MBA program focuses on transition to general management.

## NAME OF THE QUALIFICATION IN THE DIPLOMA:

Participants receive two MBA degrees upon successful completion of the program: an executive MBA post-graduate specialist program awarded by Corvinus, and a Master of Business Administration (MSc) awarded by Maastricht University.

## WHAT DOES OUR PROGRAMME OFFER?

The Corvinus-MSM-SEED Executive MBA is an international double degree program, offered by Corvinus University of Budapest and the Maastricht School of Management (MSM) - Maastricht University, with SEED Business School as an associate partner.

The program is built on an integrated curriculum that reflects the latest business challenges in the field of leadership, strategy, digital transformation, entrepreneurship and corporate sustainability. Emphasis is placed on skill development, personal mentoring and networking. International weeks and real-life projects complement the curriculum.

## HIGHLIGHTS OF THE PROGRAM:

- ▶ Personalized leadership development journey.
- ▶ Optimal applicability at the workplace – action learning projects, peer-to-peer learning and corporate events.
- ▶ Social Enterprise Challenge – working together on real life unstructured problems with innovators, social entrepreneurs and researchers.
- ▶ Real business experience - close cooperation with the leading regional companies.
- ▶ Committed faculty members - professors, genuine executives and (ex-)CEOs of the region.
- ▶ Proactive teaching methodology – case studies, simulation, leadership assessment, and teamwork, with emphasis on peer learning.
- ▶ Dedicated participants coming from leading regional corporation.
