

Fudan Corvinus Double Degree MBA

Program Director:

Balázs Árpád Szűcs, PhD

Duration:

4 semesters (2 years)

Language of the program:

English

Location:

Budapest, with 2 international weeks in Shanghai

Time commitment:

part-time

If you want to become a better business leader, be prepared for the new economic and geopolitical challenges, be familiar with the business culture of both the East and West, then this is the program for you. In addition to general management knowledge, top executives are set apart by having a deep understanding of the culture of their most important markets and having local connections to regional business leaders. Since China's importance in the world trade and in digital developments is undeniable in the 21st century, top business leaders can benefit from an in-depth understanding of how the Chinese and the Asian economy is developing, as well as becoming familiar with their customs. The Chinese and Hungarian leading universities, Fudan University and Corvinus University of Budapest partnered to provide the first Chinese-CEE double degree program with the participation of their best professors. This unique regional experience is offered by exploring the current trends of executive management with special focus on finance and China.

**APPLICATION AND OTHER
INFORMATION**

WHO SHOULD APPLY?

Candidates should have at least a few years of work experience, ideally in management positions. Candidates who are looking for a better understanding of the Chinese market and learning about the cultural aspects of doing business in China and Asia should benefit the most from this MBA program. The MBA program is especially focused on financial studies and provides in-depth understanding and hands-on experience through practical projects in the field. Overall, completing this MBA program can be the next steppingstone in the candidate's career and elevate their professional competences, including people management and negotiation skills.

Form of financing: fee-paying training

Tuition fees: 3.900.000 HUF / 12.000 EUR per semester

Scholarship is available upon application that covers up to 75% of the tuition fee
