

CALL FOR APPLICATION

Scientific Students' Association Conference Publication Award – 2023

1. Purpose

The aim of the project is to encourage the authors and supervisors of the institutional Scientific Students' Association Conference (hereinafter: **TDK**) related research papers to publish in a scientific journal. The aim of fostering the publications of student researchers is to raise the quality of TDK and to support both students with research aspirations, who represent the base of scientific succession, and the academic advancement of supervisors working in teaching and research positions with outstanding mentoring activities.

2. Criteria for application

The TDK Publication Award can be applied for under the following conditions:

1. The TDK paper on which the publication is based was submitted at the institutional TDK competition of Corvinus University of Budapest
2. The date of acceptance of the publication which is based on a TDK paper is not older than three (3) years
3. The date of submission of the TDK paper on which the publication is based is not older than five (5) years
4. The number of authors of the journal publication is up to three (3) people
5. All authors of the publication are citizens of Corvinus University of Budapest (either employees or students) at the time of submission of the application
6. It can be clearly proven that the publication was based on a TDK paper
7. Classification of the journal publishing the publication
 - a. In case of publication in Hungarian: "A" category in the scientific sections of the Hungarian Academy of Sciences
 - b. For publications in English: at least SCIMAGO category Q2
 - i. Publications published by MDPI, Frontiers, PLOS ONE are not eligible
8. The authors have not previously received remuneration for the submitted publication.

3. Funding

If successful, applicants will receive a total of the following grants:

1. In case of publication in Hungarian: One hundred and twenty thousand HUF (120.000 HUF)
2. In case of publication in English: Two hundred thousand HUF (200.000 HUF).

The University disburses the grant by bank transfer, the details of which will be available after the evaluation of the applications.

Please note that applicants may receive prizes in no more than one category if they apply in more than one category (i.e. the same person with several publications).

4. Application process

The deadline for applications is **31st March (Friday), 2023, 16:00 p.m.**

Applications can be submitted by e-mail to the etdt@uni-corvinus.hu e-mail address, the criteria for which are as follows:
