

Management and Leadership MSc oral admission exam requirements 2024A central admission procedure

Name(s) of graduate program(s)	Management and Leadership MSc
Type of the exam	Oral
Name of the exam	Skill assessment
Duration of the exam	30 minutes
Method of the exam	online
Short description of the exam	Applicants will be asked about themselves and their motivation, international experiences, work experience, their extracurricular activities. They will be required to comment on current global/business issues. Guesstimate problem, or business problem solving exercises will be also part of the interview to measure the applicant's intellectual potential, critical thinking, international openness and cross-cultural aptitudes, interpersonal competencies, desire to achieve, and integrity.
Materials that can be used during the exam	None
Recommended reading materials	None
Topics	The problem solving exercise part involves a short case or analysis in which the applicant "guesstimate" a value by looking at the possible parameters that may affect the final quantity, and estimating its numbers. The motivational interview part is conducted by a committee with topics like the applicants' motivation, international exposure, internship/work experience, extracurricular activities, future plans/goals, as well as current global economic and business issues.
