24-25 April 2024

About the Corvinus Career & Business Festival

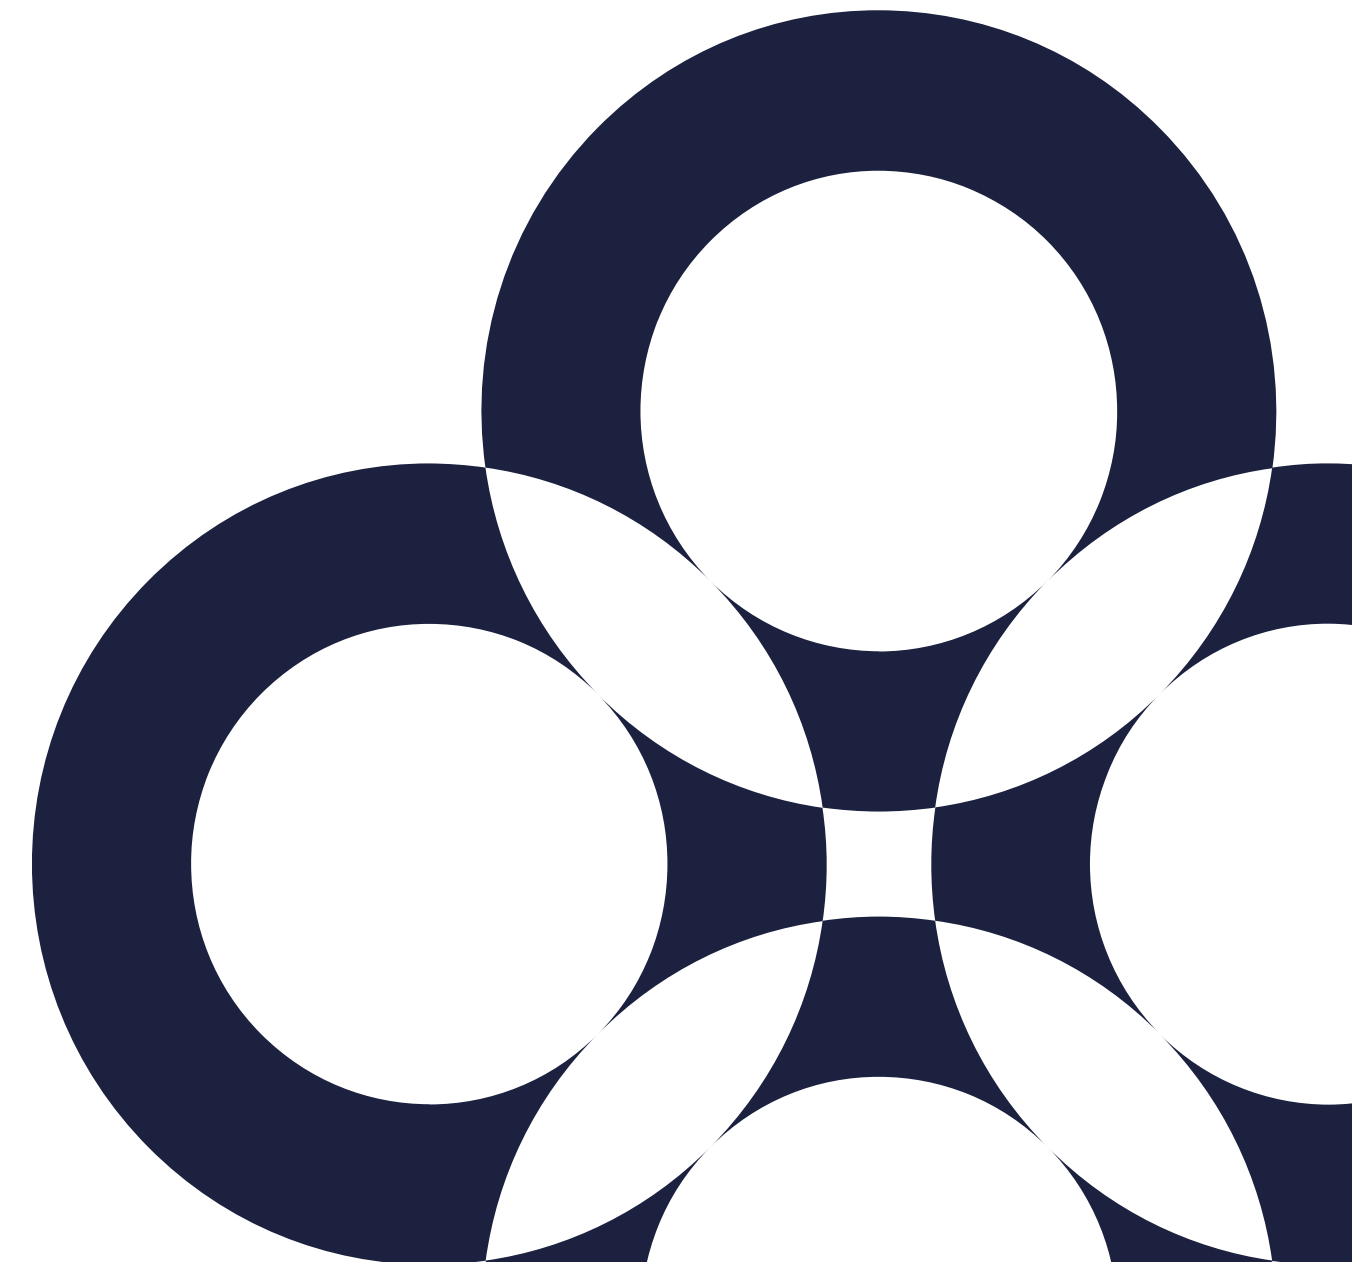

In a world of digital job applications, a face-to-face chat can make a lasting impression. Join us on campus on the 24th and the 25th of April, and showcase your company culture, mission and opportunities by engaging with **thousands of students and graduates, Hungarian and international**, from the Corvinus University of Budapest.

The **two-day event** integrates insightful lectures, mentoring sessions and **interactive programs**, complementing a **3,000 sqm exhibition space**. Customize your booth with a variety of accessories and additional services. Encourage Corvinus alumni from your organization to represent your brand - our **"Corvinus alum" badge** will help connections build easier.

Attractive discounts are available for returning exhibitors and **Early Bird registrations**.

Don't miss out on this chance to make meaningful connections. We look forward to welcome you to the Corvinus Career & Business Festival this April!
