

Event Driven Equity Analyst

Chain Bridge Research, a boutique international investment research firm serving institutional investors is looking for a **full-time Event Driven Equity Analyst**.

The firm has established a reputation for high-quality, incisive research focused on mergers and acquisitions (M&A) and event driven arbitrage. We are looking for a highly motivated Analyst with **fluent English skills**, who would join our research analyst team of four. We are looking for someone who is hard working, motivated and has a genuine passion for investment.

Key responsibilities include:

- Following daily news flow on M&A transactions, preparing daily notes for clients
- Preparing in-depth reports including risk analysis of global M&A situations and providing trade recommendations
- Monitoring deal universe, collecting and analysing data on past and pending deals
- Keeping contact with clients
- Attending industry conferences

Key attributes for the successful applicant include:

- Minimum of Bachelor's degree in Finance
- Fluency in English
- Excellent analytical and conceptual skills encompassing finance and valuation
- Pro-active, problem solving nature
- Knowledge of equities and experience in equity trading is an advantage
- 0-3 years of experience within equity research or corporate finance/investment banking is an advantage
- Experience with Bloomberg platform is an advantage
- CFA® qualification or participation in the CFA® Program is an advantage

What we offer:

- Competitive remuneration package
- Potential to develop professionally
- High degree of autonomy

Other:

- Office location: Budapest, 1025 Felhévizi u 31, 1st floor 4.
- Hybrid, full-time permanent employment

*If you are interested in the position, please, send your CV to Gábor Kökösy (g.kokosy@chainbridgeresearch.com) by **April 20**. For more information about Chain Bridge, please visit our website www.chainbridgeresearch.com*
