

## Csató László

Egyetemi Adjunktus / Assistant Professor  
Institute of Mathematical Statistics and Modelling / Department of  
Operations Research and Actuarial Sciences  
Actual classification: Senior lecturer

## Qualifications, scientific degrees

### Higher education qualifications

- 2009 - 2011  
Corvinus University of Budapest, Faculty of Economics, Economist in Quantitative Economic Analysis (MSc), grade: excellent (D)
- 2006 - 2009  
Corvinus University of Budapest, Faculty of Economics, Economist in Economic Analysis (BSc), grade: excellent (C)
- 2011 - 2015  
Corvinus University of Budapest, Doctoral School of General and Quantitative Economics, Doctor of Philosophy (Ph.D.) in Economic Sciences, summa cum laude (F)
- 2000 - 2006  
Révai Miklós Gimnázium, Győr, secondary school (I)

### Scientific degrees and awards

- 2015, PhD  
Corvinus University of Budapest, Doctoral School of General and Quantitative Economics

## Career

### Workplaces

- 2014 - 2017  
Corvinus University of Budapest, Faculty of Economics, Department of Operations Research and Actuarial Sciences, assistant lecturer
- 2014 - 2016  
MTA-BCE "Lendület" Strategic Interactions Research Group, assistant research fellow
- 2016 -  
Hungarian Academy of Sciences, Institute for Computer Science and Control (MTA SZTAKI), Research Laboratory on Engineering & Management Intelligence, Research Group of Operations Research and Decision Systems, research fellow
- 2017 -  
Corvinus University of Budapest, Faculty of Economics, Department of Operations Research and Actuarial Sciences, senior lecturer

### Public activities in the university (memberships in university bodies)

- 2012 -  
TDK (Scientific Students' Association) section secretary, Corvinus University of Budapest, Economic Analysis and Economic Modelling Section
- 2016 - 2017  
TDK (Scientific Students' Association) chair, Corvinus University of Budapest, Faculty of Economics

## Díjak, címek, kitüntetések

- 2012, Szép Jenő award  
Budapest University of Economic Sciences Foundation
- 2011, Outstanding Student of the Master program  
Corvinus University of Budapest, Faculty of Economics, Economist in Quantitative Economic Analysis (MSc)
- 2011, Honorable degree  
Corvinus University of Budapest, Faculty of Economics, Economist in Quantitative Economic Analysis (MSc)
- 2010, Fellowship granted by the Republic  
Republic of Hungary
- 2010, Absolute First prize on Skála-díj application  
Skála-Coop Befektetési Zrt.
- 2010, First prize among first-year Master students on Skála-díj application  
Skála-Coop Befektetési Zrt.
- 2009, Outstanding Student of the Bachelor program  
Corvinus University of Budapest, Faculty of Economics, BSc in Economics
- 2009, Honorable degree  
Corvinus University of Budapest, Faculty of Economics, BSc in Economics
- 2007, First prize, paper application „A pénz nyomában”  
Hungarian National Bank
- 2006, Iványi award  
Révai Miklós Gimnázium és Kollégium secondary school
- 2006, First prize, Monetary economic competition  
Hungarian National Bank
- 2005, Second prize (shared), Mathematical category of Nature-Science student application  
“Természet Világa” scientific informative journal
- 2013, First prize, National Scientific Students’ Association Conference (OTDK)  
31th National Scientific Students’ Association Conference Economics Section, Economic Theory I. category
- 2011, First prize (shared), Scientific Students’ Association Conference (TDK)  
Corvinus University of Budapest, Business and Economics Campus, Economic Analysis and Economic Modelling Section
- 2011, Special Jury Prize, National Scientific Students’ Association Conference (OTDK)  
30th Jubilee National Scientific Students’ Association Conference War Theory and Law Enforcement Section, CIMIC and Infocommunication category
- 2010, First prize (shared), Scientific Students’ Association Conference (TDK)  
Corvinus University of Budapest, Business and Economics Campus, Economic Analysis and Economic Modelling II. Section
- 2006, 8th prize  
KöMaL (Mathematical and Physical Journal for Secondary Schools), Problems in Mathematics (sign B), grade 12
- 2005, Honorable mention (14th prize)  
KöMaL (Mathematical and Physical Journal for Secondary Schools), Problems in Mathematics (sign B), grade 11
- 2004, Honorable mention (22-25th prize)  
KöMaL (Mathematical and Physical Journal for Secondary Schools), Exercises in Mathematics (sign C), grade 9-10
- 2003, Honorable mention (30th prize)  
KöMaL (Mathematical and Physical Journal for Secondary Schools), Exercises in Mathematics (sign C), grade 1-10
- 2016, Research scholarship  
Corvinus University of Budapest

## Language skills

| Language | Speaking     | Writing      | Reading  | Media appearance |
|----------|--------------|--------------|----------|------------------|
| English  | Intermediate | Intermediate | Advanced |                  |

## Research, professional activity

### Major taught courses or fields of education:

in English: Operations Research, Quantitative Methods (seminar) in Hungarian: Operations Research, Operations Research Models I, Operations Research Models II (lecture); Business Mathematics, Decision Methods, Macroeconomics, Operations Research, Operations Research Models I, Operations Research Models II, Quantitative Methods, Selected Topics in Decision Theory (seminar)

### Field of science and discipline:

economics

### Current fields of research:

decision theory; game theory; network analysis; paired-comparison based ranking; social choice

### Major research projects

- 2013 - 2014, Mathematical background of using ranking methods and pairwise comparison matrices  
Form of participation: leader of the research team  
Moneylender: National Excellence Programme, Apáczai Csere János National Fellowship for PhD Students  
Further info about research: <http://nemzetikivalosag.hu/documents/10191/0/Almanach-EN.pdf/278210d8-e4c5-4b3f-a526-79e9bc1f316c>
- 2015 - 2015, Mathematical analysis of centrality measures  
Form of participation: leader of the research team  
Moneylender: The Ryoichi Sasakawa Young Leaders Found  
Further info about research: <http://www.tokyofoundation.org/sylff/16822>
- 2014 - , Preference modelling and ranking based on pairwise comparisons  
Form of participation: member of the research team  
Moneylender: OTKA (Hungarian Scientific Research Fund) K 111797  
Further info about research: <http://nyilvanos.otka-palyazat.hu/index.php?menuid=930&num=111797&keyword=111797&lang=EN>
- 2012 - 2014, Decision support: models and computer-aided solutions for economic and business decisions  
Form of participation: member of the research team  
Moneylender: OTKA (Hungarian Scientific Research Fund) K 77420  
Further info about research: <http://nyilvanos.otka->

# Colleague CV: Csató László

---

palyazat.hu/index.php?menuid=930&lang=HU&num=77420

- 2016 - , Ranking with paired comparisons: theory and applications  
Form of participation: leader of the research team  
Moneylender: MTA Premium Post Doctorate Research Program  
Further info about research:  
<http://www.sztaki.hu/people/niifUniqueId=008011404,ou=People,o=SZTAKI,o=NIIF,c=HU/>

## Membership in scientific or professional bodies/organizations

- 2012 - , member,  
Hungarian Operations Research Society, national
- 2011 - , member,  
Hungarian Society of Economists, national
- 2011 - , member,  
Society for Economic Modelling, national

## Publications

- [Publications can be found at Magyar Tudományos Művek Tára \(MTMT\). \(MTMT is the official repository of the university.\)](#)
