Hungarian Academy of Sciences
- 2022, Corvinus Research Excellence award
Corvinus University of Budapest

Research, professional activity

Major taught courses or fields of education:

Game Theory

Field of science and discipline:

mathematics and computer sciences

Colleague CV: Dr. Sziklai Balázs Róbert

Current fields of research:

networks, fair division, social choice

Major research projects

- 2017 - 2020, Monotonicity, Proportionality and Stability in Fair Division Problems
Form of participation: leader of the research team
Moneylender: National Research, Development and Innovation Office
Further info about research:

Membership in scientific or professional bodies/organizations

- 2020 - , Member of the board, leadership position (president, director etc)
[Gazdaságmodellezési Társaság](#), national

Board memberships and positions

- 2020 - , Member of the Editorial Board, president or member of the editorial board
