Research, professional activity

Major taught courses or fields of education:

operations research, decision theory

Field of science and discipline:

economics

Current fields of research:

operations research: theory and applications
decision theory: decision support systems
higher education policy, financing higher education

Previous fields of research:

mathematical programming: linear programming, multi-criteria programming

Major research projects

- 2009 - 2013, Supporting business and economic decisions: models and computer systems
Form of participation: leader of the research team
Moneylender: Hungarian National Research Fund
Further info about research: CUB - MTA SZTAKI joint project
- 2010 - 2012, Knowledge-Based Society
Form of participation: leader of the research team
Moneylender: Hungarian Ministry of Education and Science
Further info about research: Sub-project of the
- 2009 - 2010, National Qualifications Framework
Form of participation: leader of the research team
Moneylender: Hungarian Ministry of Education and Science
Further info about research: Institute of Educational Research and Development
- 2003 - 2007, Modelling economic decisions
Form of participation: leader of the research team
Moneylender: Hungarian National Research Fund

Colleague CV: Dr. Temesi József

Further info about research: CUB - MTA SZTAKI joint project

- 2006 - 2006, Collaboration of the representatives of higher education and the job market for setting up the qualification standards on Matur level
Form of participation: leader of the research team
Moneylender: Office for Higher Education Research, Ministry of Education
Further info about research: Co-leaders of the project: András Derényi, Éva Gönczi
 - 2001 - 2005, Information technology systems and tools for a demand-oriented iIT-based society
Form of participation: member of the research team
Moneylender: National Fund for Research and Development
Further info about research: Project leader: Attila Chikán
 - 2002 - 2004, Joining the European Higher Education Area
Form of participation: member of the research team
Moneylender: Ministry of Education, Council for Higher Education and Research
Further info about research: Project leader: László Dinya
-
- 1999 - 1999, Evaluation system of the tenders for the development of the Hungarian economy
Form of participation: leader of the research team
Moneylender: Ministry of Economics
Further info about research: with Tamás Rapcsák
 - 1991 - 1991, Risk analysis of EXPO'96
Form of participation: member of the research team
Moneylender: EXPO Office
Further info about research: with András Gábor
 - 1981 - 1986, Analysis of the investment stock
Form of participation: member of the research team
Moneylender: Planning Institute
Further info about research: Project leader: György Meszéna
 - 1983 - 1985, Export activity, profitability and redistribution at state-owned companies
Form of participation: member of the research team
Moneylender: Ministry of Industry
Further info about research: Project leader: János Kornai
 - 1985 - 1985, Complex economic analysis of the dam construction project Gabčíkovo-Nagymaros
Form of participation: member of the research team
Moneylender: National Office of Water Resources
Further info about research: Project leader: György Meszéna
 - 1983 - 1984, Impact of the distribution of rental housing on social inequalities
Form of participation: member of the research team
Moneylender: Planning Institute
Further info about research: Project leader: Zsuzsa Dániel
 - 1982 - 1984, Foundation of industry policy decisions
Form of participation: member of the research team
Moneylender: Ministry of Industry
Further info about research: Project leader: György Meszéna
 - 1982 - 1982, Analysis of stock and turnover rate of inventories in Hungarian industrial companies

Colleague CV: Dr. Temesi József

Form of participation: member of the research team
Moneylender: "Socialist Enterprise" research project
Further info about research: with Ágnes Matits

- 1981 - 1982, Short term forecast methods
Form of participation: member of the research team
Moneylender: Ministry of Finance
Further info about research: with Ágnes Matits, Márta Sulyok Pap
- 1981 - 1982, Statistical and mathematical methods applied in organizational research
Form of participation: member of the research team
Moneylender: "Socialist Enterprise" research project
Further info about research: Members of the team: László Füstös, Ágnes Matits
- 1978 - 1980, Choosing from technology alternatives
Form of participation: member of the research team
Moneylender: Ministry of Heavy Industry
Further info about research: Project leaders: Jenő Szép, György Meszéna
- 1975 - 1976, Long term development model for the water resource sector
Form of participation: member of the research team
Moneylender: National Office of Water Resources
Further info about research: Project leader: József Varga
- 2015 - 2019, Preference modelling in decision making based on pairwise comparisons
Form of participation: member of the research team
Moneylender: Hungarian National Research Fund
Further info about research: Project leader: Sándor Bozóki, MTA-SZTAKI, MTA SZTAKI - CUB joint project
- 2013 - 2014, Changes in higher education
Form of participation: leader of the research team
