change in the social situation since then and it is therefore necessary to recalculate the social
score.

(2) The individual grants based on social needs may be applied for in accordance with the rules
laid down in the RSFB and the relevant call for applications.

(3) The list of documents to be submitted along with a complete application is set out in Annexes

Annex 1

I. General information on the documents to be submitted

(1) The certificates to be submitted shall be uploaded by the applicant in a legible, scanned version in PDF format into the Neptun system.

(2) Applicants may only apply either as dependant or as self-supporting persons, and may not have both statuses contemporaneously.

(3) The status of those living in the same household as well as all income of the household shall be certified if the applicant also wishes to receive income points and/or points associated with large family status, except for net income from employment or scholarship of the applicant (if he/she is not self-supporting) or a dependent [see n) of 5.§ on Definitions) with an active daytime student/pupil status who lives in the same household as the applicant. If the applicant meets the definition of a large family according to Paragraph qa) of Subsection (1) of Section 5, it is sufficient to prove the status of dependants.

(4) Applicants may only apply as self-supporting persons as described in Section III of Annex 1. In the case of a self-supporting applicant, only the applicant's circumstances may be taken into account, and no scores shall be given to any other circumstances not related to the applicant.

(5) To be valid, the declaration hereunder shall always be attested by two witnesses. The applicant may not act as a witness on the declaration made by him or her. The statement of one person is sufficient to certify any circumstance relevant to the application. Each declaration shall be dated, signed by the person making it and include a statement that the person making it agrees to be liable under criminal law for providing true and correct information in the declaration (see: Annexes 3 to 5 and 7 to 9).

(6) In the case of dependant applicants, the declaration related to the application (e.g. of the amount of child support) shall be made by (one of) the applicant’s provider(s).

(7) The period elapsed since the dating on the declaration may not be longer than three (3) months, calculated from the first day of the application period. The three (3) months to be examined shall be specified in the given call for applications.

(8) If there is a change of status in one of the three (3) months under consideration [see (7)] (e.g. the employment status of the provider is terminated and the provider becomes a registered jobseeker), the SSC/CDSSA will also take into account the income derived from such status as well when calculating the income score. All statuses existing in the 3-month period considered, as set out in the call for applications shall be certified. The provider should declare the change of status (Annex 3).

(9) Method of calculating income points: the monthly net income per person is calculated by

a) dividing the sum of the monthly net income calculated on the basis of the average of the regular income of the applicant and the persons living in the same household
with the applicant during the three months in question and
b) one twelfth of the non-regular income of the household during the year preceding
the last day of the three months in question
by the number of persons living in the household.

(10) If the monthly net income per person is below the minimum amount of the current old-
age pension, credible proof of the household’s means of subsistence must be provided. In
this case, it is necessary to submit bank statements of all private bank accounts of the persons
living in the same household, including the applicant, for the three months of crediting
indicated in the call for applications. They must also declare that they do not have more than
one bank account (Annex 3). If the persons concerned do not have a private bank account
statement, they must declare this fact by completing Annex 3.
