

Check list of required elements for CEMS MIM Application

1. Register online:

- **CEMS common online application form www.cems.org/selection
upload all your certificates to the CEMS database**

(Please take care that the size of each document can be max. 4 MBytes. Larger files should be compressed by Adobe Acrobat or other online file compressor.)

(Please insert your data without accentuated letters)

Home School ID= Neptune Code

2. Documents to be uploaded to <https://www.cems.org/>

- **Certificate of language exam(s)** (please send only the highest level of each language)
- **Diploma supplement containing the GPA (grade point average)** or a document listing your completed Bachelor courses with grades containing all exam grades and average grades (in one document)
- **List of uploaded documents for Assessment Centre (signed)**

Application is valid only if all the required documents are submitted in one e-mail, late submission of certificates (except for English language certificate) is not accepted! Please send the documents in pdf or jpg format, one document is one scan copy (not all pages in a different document, eg. 10 pages of the diploma supplement should be in one file, 2 pages of a language exam certificate should be in one file, etc.).
