

### MSc in Finance oral admission exam requirements 2025A central admission procedure

Name(s) of graduate program(s)	MSc in Finance
Type of the exam	<b>Oral</b>
Name of the exam	Finance
Duration of the exam	15-20 minutes
Method of the exam	<b>Online</b>
Short description of the exam	The applicant receives two or three questions concerning the written exam topics. They must explain the phenomena and unfold possible theories behind them. Next, the exam committee will ask further questions based on the answers. These questions cover the designated corporate finance topics or the related methodology and practice. In the second part of the discussion, questions assessing the motivations follow. The committee collects data on the candidate's achievements (e.g., a bachelor thesis, internship, part-time study abroad, scientific student competitions, and publications). They clarify how a degree in finance and connecting dual-degrees offered are relevant to the applicant's plans and what financial issues the candidate is interested in, personally or regarding their future business career.
