- b) has declared that they meet the conditions for enrolment set by the University and
 - c) has paid the relevant programme cost.
- (3) The University shall issue a resolution on the admission of the applicant on the basis of Section 38 (9) of the Admission Regulations. The decision on admission is an electronically signed document issued from Neptun in the admission procedure. The decision on admission is issued when the applicant has fulfilled the following conditions:
- a) pass the entrance examination (or have a diploma or an examination result that replaces the entrance examination);
 - b) meet all other requirements for admission (as set out in the Admission Regulation);
 - c) pay the programme cost.
- (4) The deadlines for applicants given in Annex 1 shall mean 23:59 (Hungarian time) on the day of the deadline.

The procedure

4.§

- (1) The admission procedure for the 2026/2027 academic year will run from 1 October 2025 to 25 September 2026 and will consist of 9 examination phases. The detailed schedule of the procedure is set out in Annex 1.
- (2) For the programmes created in the DreamApply admission system, the English programme names created in Neptun in accordance with relevant legislation shall be used in a uniform way.
- (3) In the admission procedure for the 2026/2027 academic year, the applicant may select up to 5 programmes, in order of preference, when applying through the DreamApply admission system managed by the University.
- (4) Oral entrance examinations will be held no later than June 2026 for applicants who submit their applications by 25 May 2026.
- (5) During the current admission period, applicants may sit for only one written entrance examination of type "A" and only one written entrance examination of type "B", and only one oral entrance examination for the same programme. An oral examination is allowed only in the examination phase in which the applicant sits for the written examination. If the applicant is exempted from the written examination under Section 18 (3) c) of the Admission Regulation, they may take the oral examination in any examination phase. The results of the written and oral examinations taken when applying for the Stipendium Hungaricum and the Hungarian Diaspora Scholarship are valid for any application for a self-financed programme, and the examination cannot be repeated.

- (6) Applicants have seven calendar days from the date of notification of the admission results to change the order of programmes. **The applicant must declare which programme they wish to enrol in, i.e. for which programme they wish to pay the programme cost, and, once the cost has been paid, to have the decision on admission issued.**
- (7) Only one decision on admission may be issued to the applicant in the admission procedure.
- (8) Once the decision on admission has been issued, the applicant may not submit a new application (may not submit a new application, may not cancel or modify anything), unless they request the withdrawal of the issued decision on admission. Withdrawal may only be requested once and only before enrolment. When requesting a withdrawal, the applicant must specify the programme for which they wish to have a new admission decision issued from among the programmes for which they have passed the entrance examination and meet other admission requirements, too. Once the withdrawal has been accepted, no new application may be submitted.
- (9) Exceptions to (7) may be made in cases where the programme to which the applicant is admitted will not be launched. In this case, the University will take the initiative to withdraw the decision on admission.
- (10) If the applicant has failed the written examination, but holds a diploma specified in Section 18 (3) ca) of the Admission Regulation, or holds a successful examination result or diploma specified in cb), and presents the certifying document no later than 1 August 2026 (28 August 2025 for applicants from countries not subject to visa requirements) in accordance with the rules, they are entitled to have the written entrance examination replaced.
- (11) Applicants for Stipendium Hungaricum and Diaspora scholarships may, in addition to the application interface managed by the TKA, submit additional applications - the number of applications is specified in point (3) - on the application interface managed by the University for programmes that were not selected in the TKA system or were selected and the admission requirements were successfully fulfilled, but for which the applicant received a negative decision from the TKA.
- (12) Applicants for the Stipendium Hungaricum and Diaspora scholarships who have not been nominated by the sending countries may submit the number of applications specified in point (3) on the application interface managed by the University no later than 25 May 2026 (for applicants from countries subject to visa requirements), and no later than 13 August 2026 for applicants from countries not subject to visa requirements.

Credit recognition procedure

5.§

- (1) The preliminary credit recognition procedure is carried out by the competent CTC with the involvement of the study programme leader, within 5 calendar days of the last day of the oral (or written where there is no oral entrance examination) examination of each

examination period. The decision of the CTC is set out in a resolution. SAS will inform the applicant of the decision in accordance with the Admission Regulation. The applicant will receive the decision of the CTC after submitting/uploading all the documents on which the recognition is based. If the University requests the applicant to correct deficiencies, a decision will be taken only after the missing documents supporting the procedure have been submitted. The deadlines for correcting deficiencies and making decisions are set out in Annex 1.

- (2) The credit recognition procedure is carried out by the study programme leaders and the CTC as follows:
 - a.) get access to the documents and application data of applicants for a given programme / for programmes of a given academic level uploaded to DreamApply, and to view the Excel spreadsheet created by the SAS Admission Team of the University;
 - b.) examine the applicant's documents and decide on the recognition of credits in accordance with the provisions of the Admission Regulation.
- (3) By submitting the application, the applicant requests the preliminary credit recognition procedure, decision upon is made by the relevant Dean (the decision is displayed in the designated electronic system, indicating the necessary steps to be taken). After a preliminary check of the application data and documents, the applicant will be requested to provide the data and documents required for credit recognition in the required format. The applicant shall initiate the request within 8 days of the notice, by filling in MS Forms and by uploading the documents necessary for the procedure to the relevant system (transcript of records, documents certifying knowledge acquired in advance through non-formal, informal learning, work experience, as well as knowledge acquired during studies leading to the award of a vocational or professional qualification).
- (4) For the study programme leaders, the competent CTC Chairperson Dean provides information on the tasks and rules related to conducting the preliminary credit recognition procedures.
- (5) A decision on admission can only be issued on the basis of the result of the preliminary credit recognition procedure.
