

Pecha Kucha PRESENTATION Competition

Step onto the stage and captivate your audience with one of two **Pecha Kucha** formats:

 **DYNAMIC: 20 slides, 20 seconds per slide**

 **STEADY PACE: 10 slides, 40 seconds per slide**

See how it's done [HERE](#)

TOPICS to choose from:

1. **Sustainable Business Practices in Today's Economy – Economic Growth vs. Income Inequality** Can companies grow responsibly while reducing social and financial gaps?
2. **The Gig Economy – Opportunities and Challenges**
How flexible work reshapes careers, security, and the future of employment.
3. **Climate Action on a Budget – Sustainable Living for Students**
Practical ways young people can make a real environmental impact.
4. **Brands That Speak – Marketing with a Conscience**
How purpose-driven storytelling helps companies build loyalty and trust.
5. **Purpose-Driven Careers**
What students value – and why it might change how they work for you.
6. **Youth vs. the Status Quo – Rethinking Leadership and Innovation**
How young generations challenge norms and lead change through creativity.
7. **What Makes You, You? – Identity, Personality, and Passion**
Discovering what defines individuality in an interconnected, digital world.
8. **AI and Me – Living, Working, and Thinking with Artificial Intelligence**
Exploring how technology transforms creativity, learning, and human potential.
9. **Digital Trust in a Post-Truth World**
What strengthens or breaks public confidence in media, institutions, and brands?
10. **Digital Diplomacy – How Technology Redefines Global Communication**
How governments, NGOs, and citizens use online tools to influence international opinion.
11. **Cultural Intelligence in Business and Beyond**
Why understanding diversity and inclusion drives collaboration and innovation.
12. **Digital Nomads and Global Life – Work Without Borders**
How remote work redefines travel, lifestyle, and cross-cultural connection.
