| Type of Exam                     | Oral                                                                                                                                                                                                                                                                                                                                                                           |
| Name of the Exam                 | Admission Interview for the International Economy and Business Master's Programme                                                                                                                                                                                                                                                                                              |
| Duration of the Exam             | 15–30 minutes                                                                                                                                                                                                                                                                                                                                                                  |
| Mode of the Exam                 | online                                                                                                                                                                                                                                                                                                                                                                         |
| Short Description of the Exam    | You will be asked to demonstrate your knowledge about international economic affairs related to international trade, international finance and global politics. You will be asked both theoretical questions and questions which test to what extent are you familiar with current economic events. Also if you are able to connect international economic theory to practice. |
| Tools Allowed During the Exam    | none                                                                                                                                                                                                                                                                                                                                                                           |
| Recommended Literature           | Thomas Pugel International Economics. McGraw Hill. Read the Economist frequently and try and connect it the theory in the textbook.                                                                                                                                                                                                                                            |
| Exam Topics                      | As above.                                                                                                                                                                                                                                                                                                                                                                      |
| Sample Questions / Example Tasks | Please discuss how the tariffs of Donald Trump might impact on the USD/EUR exchange rate.                                                                                                                                                                                                                                                                                      |
