

For submitting a transfer request for the 2025/26/2 semester the admission requirements for September 2025 must be met.

1. Admission requirements for BA/BSc programs in the non-central, institutional admission process:

To be admitted to a BA/BSc program the applicant must have a secondary school diploma.

The entrance exam for BSc Applied Economics, BSc International Business, BSc Business and Management and BSc Data Science in Business is a mathematics exam organized by the university

The mathematics exam can be replaced by one of the following:

- Advanced Placement test (Mathematics AB or BC) with a minimum score of 3
- SAT Subject Test in Mathematics Level 2 test with a minimum score of 680 (discounted in 2021 but if you took it before it is still valid, other SAT mathematics exams cannot be used)
- ACT test with a minimum score of 27
- Mathematics International Baccalaureate, Standard Level 5 or Higher Level 4 or higher
- Advanced level secondary school leaving exam in Mathematics in Hungary, minimum 45%
- Mathematics GCSE (or IGCE), grade 6 (or B) or higher
- Mathematics A-Level (or International A-Level) with a minimum grade of B

The entrance exam for BA International Relations and BA Communications and Media Science is an interview.

The entrance exam for BA Philosophy, Politics, Economics (PPE) is a mathematics exam organized by the university and interview

The mathematics exam can be replaced by one of the following:

- Advanced Placement test (Mathematics AB or BC) with a minimum score of 3
- SAT Subject Test in Mathematics Level 2 test with a minimum score of 680 (discounted in 2021 but if you took it before it is still valid, other SAT mathematics exams cannot be used)
- ACT test with a minimum score of 27

- Mathematics International Baccalaureate, Standard Level 5 or Higher Level 4 or higher
- Advanced level secondary school leaving exam in Mathematics in Hungary, minimum 45%
- Mathematics GCSE (or IGCE), grade 6 (or B) or higher
- Mathematics A-Level (or International A-Level) with a minimum grade of B

Further requirement for admission to bachelor programs: intermediate level complex language exam or an equivalent secondary school leaving certificate or diploma or a certificate issued and certified by the higher education institution issuing the school leaving certificate or diploma that the applicant has English language skills certified by the following language examinations. The University shall accept the following level of language exams as a minimum requirement:

	CEFR	Cambridge	IELTS	TOEFL	TOEFL iBT	TOEIC	Duolingo	Skillcert EGP
intermediate	B2	FCE	6.0	65	72	785	min. 100 points	min. 96 points

The language exam can be replaced by one of the following:

- A-Level (or International A-Level) in English with a minimum grade of B
- International Baccalaureate, Standard Level 5 or Higher Level 4, or a higher grade in English
- Hungarian advanced level secondary school leaving examination 45% or above
- GCSE (or IGCE) in English with a grade 6 (or B) or higher
- For candidates who have completed an internationally recognized preparation program, a certificate from the organizer attesting that they have level B2 (e.g: INTO, Study Group, Kaplan, Navitas or the Corvinus University Preparatory Program)

2. Admission requirements for MA/MSc programs in the non-central, institutional admission process:

To be admitted to a BA/BSc program the applicant must have a BA/BSc diploma.

In case the diploma is from a non-Hungarian university it must undergo the foreign diploma acceptance process. More information can be found here: <https://www.uni-corvinus.hu/ind/legal-and-procurement-services/?lang=en#accordion-item-1003>

If the program has an interview at least 50% of the maximum interview score must be reached.

For MSc Management and Leadership one of the following language exams is required:

	TOEFL iBT	IELTS	CPE	CAE	C1 Business Higher (BEC Higher)	Corvinus	TOEFL iBT Special Home Edition	Pearson test of English Academic (PTE)
advanced	100	7.0	C	B	B	Business English C1	100, plus 20 in each section	68

Language proficiency pursuant to the present paragraph may be offset with a higher education diploma acquired in a bachelor-level study program taught entirely in English at either a university operating in an English-speaking region or a university accredited by AACSB/EQUIS or a university enjoying CEMS membership. If an applicant does not hold a language examination of the required level or an equivalent secondary school leaving examination/diploma, or the document is not in compliance with the present subsection, he/she may not be admitted to a master program.

Any applicant whose mother tongue is English does not need to certify the requirement specified in the present paragraph, but he/she must make a declaration stating that his/her mother tongue is English.

The proof of language proficiency must be attached to the transfer request.

3. During the transfer process the following must be submitted:

- 1. In case of a transfer request submitted by an applicant admitted to a BA/BSc program in the non-central, institutional procedure:**
 - secondary school diploma (must be attached to the transfer request)
 - Mathematics exam exemption document if required and if available (must be attached to the transfer request) – in case there is no exemption document the in-house mathematics test is required
 - Proof of English language proficiency (must be attached to the transfer request)

- 2. In case of a transfer request submitted by an applicant admitted to a MA/MSc program in the non-central, institutional procedure:**
 - secondary school diploma (must be attached to the transfer request)
 - International test result (must be attached to the transfer request)
 - Credit acceptance resolution or documents necessary for a credit acceptance procedure (must be attached to the transfer request)
 - Proof of English language proficiency if required for the program (must be attached to the transfer request)

- 3. Other transfer request attachment documents**
