

Call for applications for Corvinus-Mastercard Scholarship for the 2025/2026 academic year

The Corvinus University of Budapest

invites applications for the 2025/2026 academic year in accordance with Section 37 and Annex 1 of the Regulation on Student Fees and juBenefits (hereinafter: RSFB) constituting Part 4 of the Student Requirements and Provisions No. 15/2025 of the Executive Committee on the Corvinus-Mastercard Scholarship

1. The purpose of the call for applications is for **Mastercard Magyarország Kft.** (hereinafter: Mastercard) to support the students of The Corvinus University of Budapest (hereinafter: University or Corvinus) in
 - a. bachelor programmes in Applied Economics, Business Administration and Management, International Business Economics, as well as Finance and Accounting,
 - b. master programmes in Actuarial and Financial Mathematics, Economics Analysis, and Finance,
 - c. the unified single cycle study programme in Economic and Financial Mathematical Analysisin Hungarian and English language programmes, in daytime delivery, speaking Hungarian at negotiation level, based on their academic results or results achieved in a motivational interview, in the form of a scholarship, in the total amount of HUF 4,000,000.
2. The Corvinus-Mastercard Scholarship may be awarded to **altogether and maximum four (4) persons** from the students studying at any of the supported study programmes of the University specified in Point 1, **in bachelor programmes, master programmes and master programmes of two-cycle programme**.
3. The Corvinus-Mastercard Scholarship is **provided by the University to the selected students** for ten (10) months, including five (5) months in the autumn semester of the 2025/2026 academic year, and also five (5) months in the spring semester of the 2025/2026 academic year.
4. Applications may be submitted by persons who:
 - a) study at the University, attending one of the supported study programmes listed in Point 1, independently of the language of the programme, in daytime delivery mode, funded by state scholarship or paying their own programme costs, and
 - b) if the applicant applies as a student attending a bachelor programme or a single-cycle master programme, then he/she has **at least four closed active semesters** at the time of submitting the application, and
 - c) has an active student status at the time of handing in the application,
 - d) pays the programme cost himself/herself (it is not assumed by any third party (e.g. employer), and he/she does not receive a scholarship to fund the programme cost (in particular Stipendium Hungaricum or Diasphora Higher Education scholarship), excluding the Corvinus scholarship (i.e. students receiving Corvinus scholarship are eligible to apply); and
 - e) if the applicant applies as a student starting his/her studies in a master programme of a two-cycle programme, in the 2025/26/1 semester, the average result in his/her diploma certifying the bachelor programme, submitted as a condition for admission to this programme, is at least 4.00;
 - f) if the applicant applies as a student attending a bachelor programme or a single-cycled master programme, or attending a master programme of a two-cycle programme, and started his/her studies before the 2025/2026/1 semester, then his/her credit-weighted cumulative average academic performance in this programme is at least 4.00, rounded to two decimals;
 - g) if he/she is not a student of an English language programme at the time of submitting the application, he/she has at least an intermediate level, type C examination in English;

5. The amount of the scholarship is HUF 100000 per month.
6. If a student loses his/her eligibility for scholarship, the University is entitled to fill the place of the student(s) who dropped out by the next student in the application ranking list from among the students who meet the application criteria, based on the result of the previous application, without issuing a new call. If the vacant places cannot be filled in this way, the University is entitled to announce a repeated call for applications to fill the place of the scholarship holder. The scholarship thus awarded can only be paid for the 2nd (spring) semester of the 2025/2026 academic year.
7. A student will lose his/her eligibility for the scholarship and disbursement shall cease if
 - a) the student, due to switching to another programme, does not continue his/her studies in a semester of the academic year in one of the supported programmes specified in point 1, from the date of the switch;
 - b) the student's student status is terminated or suspended, from the first day of the month following the date of termination or, in the case of a suspension, from the first day of the month following the date of the authorisation of the suspension;
 - c) the grant contract between the University and Mastercard, on which the scholarship is based, is terminated for any reason, as of the first day of the month for which Mastercard no longer provides the scholarship;
8. The student loses his/her eligibility for the scholarship with retrospective effect, therefore has to repay the full amount of the scholarship disbursed to him/her so far, if, in an ethics review in progress against him/her (in particular act of plagiarism), in a final resolution, his/her liability is established and he/she is reprimanded, or, in the case of disciplinary offences, disciplinary sanctions may be imposed on him/her under a disciplinary procedure.
9. Applications should be submitted via the Neptun unified study administration system on the application form "P364-Corvinus-Mastercard Scholarship 2025/2026" available under "Administration/Application Forms/Forms with free text fields" **The application period will start on 20.01.2026 at 10:00 a.m.**
10. **The deadline of submitting the application is 27.01.2026, 12:00 a.m.** The time limit is of peremptory nature, late or incomplete applications will not be considered by the assessment committee. There is no room for correcting deficiencies or for submitting an application for justification.
11. A committee of three (3) members will evaluate the applications and decide on the award of the scholarship. The members of the committee are the person in charge of the professional aspects of the the call for applications (1 person), the Head of Corporate and Institutional Relations (1 person) and a member delegated by Mastercard (1 person).
12. Applications are evaluated in two phases:
 - a.) **Phase one**
The Committee examines the applicant's academic points only. Based on this number of points, the order of applicants will be determined.
 - b.) **Phase two**
The applicants in the top 10% of the ranking established in phase one will be invited by the Committee for an oral interview. In the oral round, the applicants' performance will be evaluated according to the detailed scoring system defined in the annex to this procedure. The points earned in phase two are added to the points earned in phase one, and their sum will provide the final number of points.
13. When evaluating the applications, the Committee will consider the following:
 - a) academic performance shall count as 50%,
 - b) oral motivational interview based on the criteria set by the Committee shall also count as 50%, as defined in Annex 1.
14. The Corvinus-Mastercard Scholarship is covered 100% from Mastercard resources. If, for any reason, the University does not receive the funding for the scholarship from Mastercard, the University will withdraw the call for applications at any stage. In this case, the University will not be held responsible for the withdrawal and will consider the applications submitted as invalid and will not make any payment on the basis of them. In this case no legal remedy shall be available.

15. More information on the call for applications is available on the Intézd Online! (Do it on-line!) platform.
16. The appeal must be submitted to the Student Appeals Committee within 15 days of the decision being notified and must be submitted in Neptun.
17. The University will not transfer any personal data regarding students participating in the call or receiving scholarship, to Mastercard. The member delegated by Mastercard according to point 11 will have confidentiality obligation. The processing of personal data in relation to the call for applications is based on the applicant's consent. The related data supply is voluntary, not based on legal regulations or contractual obligations, the failure to supply data may result in making the application impossible to evaluate. The notice on personal data processing carried out in connection with the application for scholarship is Annex 2 to this Call for Applications.

Annex 1

Evaluation criteria:

	Corvinus-Mastercard scholarship (max. 100 points)	%	max. number of points
1.	evaluating academic performance	50%	50
2.	Motivational interview	50%	50
	Total	100%	100

1. Evaluation of academic performance (maximum 100 points, with a weight of 50%):

Calculation of the academic performance (hereinafter: average academic performance)

- b) the average mark of the diploma certifying the bachelor degree submitted by the master student who started his/her studies in one of the study programmes according to Section 1. b) in the 2025/2026/1 semester as a condition to get admitted to the programme;
- c) the credit-weighted cumulative academic performance average of the student who started his/her studies before the 2025/2026/1 in one of the study programmes under Section 1, rounded to two decimal places;

The credit-weighted cumulative average academic performance = $\sum(\text{credit points} \times \text{grade}) / \text{earned credit points}$. A maximum of 100 points can be earned on the basis of academic average performance, i.e. 2 points are awarded for each 0.02 hundredth starting from 4.00. E.g.: An average of 4.02 earns 2 points, an average of 4.10 earns 10 points. An average of 5.00 means 100 points. The number of points that can be obtained for averages between the two limits are set out in the table below:

“Average academic performance”*	Score	“Average academic performance”	Score	“Average academic performance”	Score
Below 4.02	0	4.34	34	4.68	68
4.02	2	4.36	36	4.70	70
4.04	4	4.38	38	4.72	72
4.06	6	4.40	40	4.74	74
4.08	8	4.42	42	4.76	76
4.10-	10	4.44	44	4.78	78
4.12	12	4.46	46	4.80	80
4.14	14	4.48	48	4.82	82
4.16	16	4.50	50	4.84	84
4.18	18	4.52	52	4.86	86
4.20	20	4.54	54	4.88	88
4.22	22	4.56	56	4.90	90
4.24	24	4.58	58	4.92	92
4.26	26	4.60	60	4.94	94
4.28	28	4.62	62	4.96	96
4.30	30	4.64	64	4.98	98
4.32	32	4.66	66	5.00	100

*The corresponding score is available from the average academic performance shown in the table. Thus an average of 4.02 and 4.03 earns 2 points, and 4.05 an average of 4.04 earns 4 points

2. Motivational interview (maximum 100 points, with a weight of 50%):

Applicants with the highest total number of points based on the first item of the evaluation criteria - i.e. academic performance - are invited to the motivational interview. Based on these number of points, the Committee defines a ranking, and the applicants belonging to the top 10% of the ranking are invited to the motivational interview. Students who are not invited to the motivational interview will automatically get 0 points for the *Motivational interview* item of the evaluation criteria system.

The professional contents of the motivational interview will cover the in-depth evaluation of the applicant's professional goals, commitment and development potential. In the course of the interview, the applicant explains his/her professional views about the selected field of study, study motivations, and how his/her long-term career goals are related to the scope of activities and set of values of Mastercard. In addition, the Committee assesses the applicant's self-reflection abilities, problem-solving skills, communication and reasoning techniques, as well as his/her professional and public life responsibilities, and commitment to development. The contents of the discussion are evaluated on the basis of the considerations specified below.

Corvinus-Mastercard scholarship (max. 100 points)	%	max. number of points
Professional goals and motivation	25%	25
Professional commitment and responsibility	25%	25
Development ability and potential	20%	20
Harmony with the company's goals and values	15%	15
Communication and reasoning skills	15%	15
Total	100%	100

Evaluation criterion	0 – Unacceptable	1 – Far below expectations	2 – Below expectations	3 – Meets expectations	4 – Good, meets expectations	5 – Outstanding, one of the best	Max. points (value x 5)
1. Professional goals and motivation	None, random	Unclear, does not fit	General, not well-founded	Clear, partly in line	Well-founded, realistic	Outstanding clarity, strategic thinking	25
2. Professional commitment and responsibility	None	Superficial, formal	Not enough evidence	Supported with convincing examples	Active and authentic	Extremely committed and initiating	25
3. Development ability and potential	Lacks consciousness	Superficial self-reflection	Partial recognition	Thoroughly considered, supported with examples	Well-founded self-image and openness	Outstanding proactivity and self-development	25
4. Communication and arguing skills	Unclear, impossible to follow	Incoherent, with logical errors	Can be partly followed, with few examples	Clear, with minor errors	Convincing, well-structured	Outstanding clarity and inspiration	25
Total							100
