

Support with subject registration problems

09.02.2026 (Monday) – 12.02.2026 (Thursday)

Study Administration Services, Neptun team and IT will organize in-person and phone support for subject registration problems, which is meant to provide immediate help with any difficulties that may arise.

In-person support:

09.02.2026 (Monday) – 12.02.2026 (Thursday): 10 am to 3 pm - in front of E.159 office at the community space.

Facing the Student Services Area, the community space is in the middle of the corridor to the left.

By phone:

+3630 206 0108

Before you contact us, please check the following:

- your student status is active in the 2nd semester of 2025/26,
- you do not have any financial debts,
- you meet any preliminary requirement for the subject you wish to register.

In case of a scheduling conflict or course extension, only the relevant institute or department can help you.

If you need a certificate or would like to receive a student card sticker for the Fall semester, please see our colleagues in the Student Services Area during office hours (Monday to Thursday from 9 am to 4 pm).
