

NEU SUMMER PROGRAM

About NEU

Established in 1956, the National Economics University (NEU) is one of the leading universities in economics, management, and business administration in Vietnam. With a mission to provide high-quality human resources for the country's development, NEU is a pioneer in academic excellence, research, and international environment.

About the program

Neu Summer Program is a signature one-week academic program at the National Economics University that blends intensive lectures, corporate visits, and cultural exchange. Participants engage in diverse hands-on activities with the dedicated support of local student buddies, providing deep insights into Vietnam's economy while fostering global connections.

Student Life & Global Network

- **Dynamic Culture:** Home to over 60 student-led clubs, organizing prestigious charity events, academic competitions, and cultural festivals.
- **International Cooperation:** NEU maintains strong partnerships with over 100 prestigious universities worldwide, facilitating numerous student exchange programs and international summer camps.
