

**Call for Nominations
for the 2025/2026. academic
year**

**Outstanding Athlete of the Year
and**

**Outstanding Sports Team of the
Year Awards**

The Budapest Corvinus University aims to recognize students who have demonstrated outstanding performance in their studies over several years and who have enriched the University's achievements through their sports activities, thereby increasing the University's visibility, recognition, and reputation. The University would like to honor them with an award.

With this call, we ask the university community to nominate candidates for the "Outstanding Athlete of the Year and Outstanding Sports Team of the Year" award (hereinafter referred to as the award) for the 2025/2026 academic year. The categories are:

- "Outstanding Athlete of the Year" for individual sports performers, and
- "Outstanding Sports Team of the Year" for team sports performers.

The award is available to students who, during the 2025/2026 academic year, have full-time (daytime) student status in undergraduate, integrated master's, or split master's programs for both the Fall (I) and Spring (II) semesters.

Criteria for Awarding the Prize:

a) Sporting Criteria: Outstanding sports achievements in the given academic year. When evaluating:

- Athletes in Olympic sports are given preference in ranking.
- Achievements in international and national competitions are considered.
- Results in the MEFOB (Hungarian University and College National Championship) and international university competitions (EUSA, FISU) are given priority.

b) Academic Criteria: The nominee's weighted average for the two semesters (Fall and Spring) of the 2025/2026 academic year must be at least 3.8.

Eligibility for Nomination:

Any employee or student may nominate a student they consider eligible and meet the nomination requirements. Nominations can be submitted by university students and staff via the Neptun system (HWEB and OWEB interfaces) under the "Administration/Requests" menu, using the request titled "P601 Outstanding Athlete of the Year and Sports Team Nomination for the 2025/2026 Academic Year," between **June 15, 2026, at 10:00 AM and June 19, 2026, at 12:00 PM.**

Each person may only nominate one candidate (one individual athlete and one team). Multiple nominations of individual athletes or teams will render the nomination invalid.

A student may also nominate themselves for the award. In the sports team category, it is not necessary for all team members to submit a nomination, as one team member's nomination is sufficient.

Award Details:

The award consists of a one-time monetary prize:

a) For individual athletes, the top 3 nominees will receive the following prizes:

- 1st place: gross 200,000 HUF
- 2nd place: gross 150,000 HUF
- 3rd place: gross 100,000 HUF

b) In the sports team category, the team ranked first will receive a prize. The prize amount will be gross 80,000 HUF for each team member who meets the requirements.

Nomination Ranking:

The ranking of nominees will be carried out by the Sports Committee. The Sports Committee consists of three (3) members: the head of the Physical Education and Sports Center (who is also the chairperson), one (1) representative appointed by the Vice Rector for Student Affairs, and one (1) student representative appointed by the Student Government.

The award will be conferred by the Rector. There is no recourse for legal action against the decision.

We encourage all students and staff of the University to support the nomination of exceptional students, so we can recognize their exemplary achievements and celebrate them together!

Budapest, May 12, 2026.

Dr. Judit Nagy
Vice Rector for Student Affairs
