the title of the  
book...

The screenshot shows the library's search interface. At the top, there are navigation links: 'Catalog', 'Library enrollment', and 'My library' with a dropdown arrow. To the right is a search bar with a magnifying glass icon and a reset icon. Below this is the header 'Corvinus University of Budapest, Library'. There are three tabs: 'Simple search', 'Advanced search' (which is active), and 'Browse'. The 'Advanced search' section contains three rows of input fields. Each row has a text input field, followed by the word 'as', and then a dropdown menu. The first row's dropdown is set to 'Author', the second to 'Title', and the third to 'Subject'. Between the rows are checkboxes for 'And' (checked), 'Or', and 'Not'. At the bottom left of the search section is a '+ Add new field' link. At the bottom right are two buttons: 'Clear form' and a blue 'Search' button.
