

The Written Submission Template of the AIFSI Challenge

AI FOR SOCIAL IMPACT — WRITTEN SUBMISSION TEMPLATE	
Applicant Name	<i>Full name as registered on aifsi platform</i>
Country (City) of Residence	<i>Your current country</i>
UNITAR Certificate Number	<i>As shown on your Stage 1 certificate</i>
Idea Title	<i>A concise, descriptive title for your AI proposal (max 10 words)</i>
SDG Alignment	<i>Which UN SDG(s) does your idea address? (e.g., SDG 3: Good Health)</i>
Section 1: The Problem (approx. 100 words)	<i>Describe the social challenge your idea addresses. Who is affected and why does it matter? Provide local or global context where relevant.</i>
Section 2: Your AI Solution (approx. 200 words)	<i>Explain your AI-powered idea. What type of AI technology would you use? How does it work in practice?</i>
Section 3: Impact & Beneficiaries (approx. 100 words)	<i>Who are the direct and indirect beneficiaries? What measurable change would your solution create? Quantify where possible (e.g., number of people reached).</i>
Section 4: Ethical Considerations (approx. 100 words)	<i>What ethical risks does your solution raise (e.g., bias, privacy, exclusion)? How would you address them in alignment with UN AI principles?</i>
Section 5: Feasibility & Next Steps (approx. 100 words)	<i>What would it take to implement this idea? What resources, partnerships, or technologies are needed? What is your first concrete step?</i>
