RECOGNITION OF FOREIGN CERTIFICATES OR DIPLOMAS OBTAINED AT A FOREIGN EDUCATION INSTITUTION FOR THE PURPOSES OF FURTHER STUDIES
IN THE CASE OF APPLICANTS FOR THE STIPENDIUM HUNGARICUM OR DIASPORA HIGHER EDUCATION SCHOLARSHIP PROGRAMME

I. General rules

On the basis of the current Operational Regulations of the Stipendium Hungaricum Programme and the Diaspora Higher Education Scholarship Programme (hereinafter referred to as the Operational Regulations), the Corvinus University of Budapest (hereinafter referred to as CORVINUS) shall formally check the applications and conduct the admission procedure in accordance with Act CCIV of 2011 on National Higher Education (hereinafter referred to as the Nftv.) and its internal regulations by the deadline set by the Tempus Public Foundation. It shall also examine whether the requirements of the Nftv. are met.

Pursuant to Act C of 2001 on the recognition of foreign certificates and degrees (hereinafter: Etv.), a certificate or diploma obtained at a foreign education institution may be recognised as equivalent to a Hungarian secondary school-leaving certificate or a diploma certifying a bachelor's or master's degree if the higher education institution has recognised them as equivalent in a recognition procedure (hereinafter: recognition procedure).

Under Section 4(2) of the Etv, the recognition procedure falls within the competence of the educational institution where the applicant intends to pursue his/her studies, i.e. CORVINUS in the case of applications to the Corvinus University of Budapest.

The recognition procedure is carried out in connection with the student application procedure to the Stipendium Hungaricum Scholarship and the Diaspora Higher Education Scholarship announced by the Tempus Public Foundation, BUT IN A SEPARATE PROCEDURE AND UPON SEPARATE REQUEST. The procedure may be initiated by a student applying for admission to CORVINUS under the scholarship programme (hereinafter referred to as "applicant").

The purpose of the procedure is to establish whether or not the certificate or diploma obtained at a foreign educational institution is equivalent to a Hungarian secondary school-leaving certificate or a diploma certifying a bachelor's or master's degree.

According to the Recognition Act, CORVINUS may be approached with *two types of* requests: either the applicant specifies the Hungarian level of qualification to which he/she wishes to equate the level of qualification attested by his/her foreign diploma, or he/she **entrusts CORVINUS with the task of determining which Hungarian level of qualification is equivalent to the level of qualification attested by his/her diploma**.
IT IS RECOMMENDED TO SUBMIT THE REQUEST HIGHLIGHTED IN BOLD.

During the recognition procedure, CORVINUS shall take into consideration the legal status of the foreign education institution, the legal force of the diploma, the external quality assurance of the programme, the length of the period of studies as well as the

study requirements. It is a legal requirement that the foreign institution issuing the certificate or diploma must be recognised (accredited) and that the certificate or diploma must also certify secondary or higher education under the law of the foreign country in question.

II. Launch of the recognition procedure:

THE REQUEST FOR RECOGNITION IS FILED BY THE APPLICANT BY MAKING A DECLARATION TO THIS EFFECT IN DREAMAPPLY, WITHOUT SUBMITTING A SEPARATE APPLICATION. THE APPLICANT SHOULD NOTE THAT A POSITIVE ADMISSION RESOLUTION IS CONDITIONAL ON THE RECOGNITION BY CORVINUS OF THE APPLICANT'S DIPLOMA OR CERTIFICATE AS BEING OF AN APPROPRIATE LEVEL.

Recommended submission deadline:
If the certificate or diploma is available to the Applicant, **it must be submitted together with the documents described in point III for** the recognition procedure to be carried out **at the time of application on DreamApply, but no later than 1 August 2027.**

III. Documents to be submitted for the purposes of recognition:

We would like to emphasise that in this information notice, we list only those documents which are necessary for the recognition of the applicant's foreign certificate or diploma for the purpose of further studies, NOT those which are required for the admission procedure.
